Installation complete

W204 — Assembly instructions

The diagram numbers correspond to the steps below. Use the screw type and size shown for each diagram, such as CM5.0, PM3.0 or PWB2.5. Original Car Screws means the vehicle’s original screws. The manufacturer diagrams are preserved unchanged.

1. Connect the connection cable to the main unit.

2. Connect the connection cables to the Dynavin control panel.

3. Put the Dynavin control panel and mounting brackets together.

4. Put the main unit and Dynavin control panel together.

5. Put the mounting bracket and display together.

6. Put the plastic frame and display together.

7. Connect the connection cable to the display.

8. Installation complete.
